

## PRIMARY PREVENTION SPECIFIC EDUCATION/TRAINING

List in chronological order the 120 hours of education/training received in the required Primary Prevention specific content areas. Twenty-four (24) hours must be AOD Primary Prevention specific content. Fifty percent (50%) of the 120 hours must have been completed within the five (5) year period immediately prior to filing the formal application.

Arrange the attendance verification in the same order as listed unless the verification is a college transcript. All education hours must be verified and included with the application. Acceptable forms of verification include: official sealed transcripts, copies of certificates of attendance, form letters or lists of workshops signed by agency official or supervisor. Indicate the number of hours in each content area for which the education applies. The content areas are as follows with the minimum number of hours required for each:
