

LICENSED CHEMICAL DEPENDENCY COUNSELOR (LCDCII, LCDCIII, OR LICDC) EDUCATION GRID

LCDCII, LCDCIII, OR LICDC Grid Instructions:

In each content area, please list in chronological order your chemical dependency counseling university/college or continuing education. List the date of the training, and the title of the training for each course taken.

To meet the requirements for chemical dependency licensure certification, applicants must document one hundred and eighty (180) hours of chemical dependency specific education in the content areas listed below. The minimum number of hours in each area is identified. **Content Area Definitions** can be found on our website under Licensure Requirements or Applications and Forms.

Fifty percent (50%) of this education must have been completed within the five (5) year period immediately prior to filing this application.

Verification of all education hours listed must be included with this application. Acceptable forms of verification include official transcripts or continuing education certificate of attendance.

Indicate the number of hours in each content area for which the education/training applies.
