RA: 582, OCPSA 329, OCPS 177, OCPC 180.
4. OhioMHAS Prevention Rule Update ( M. Stone)  
Molly spoke to some of the issues addressed in the first meeting with OHMHAS Prevention Rules. A lot of discussion on needing to explain the difference between Agency Prevention Certification and Individual Prevention certification. Members of committee also spoke to the need for this communication and to make sure the agency certifiers are knowledgeable and able to guide agencies on what constitutes Prevention services, supervision requirements and staff member certification. Members spoke about faith based and education/higher education exemptions, supplemental services, mentoring , QHMA and social workers not having prevention in their scope of practice yet able to supervise. Members spoke to equal Rules and attention across the Continuum of Care.
5. 24 hours of AOD Requirement
  - a. How is this defined and how best to demonstrate on Education Grid
